

VERIFICATION

of Conformity for CE Marking with
European EMC / R&TTE Directives

PEP Test Report No. E980805-1

Document holder: Tibbo Technology Inc.

Type of equipment: Embedded Module / Wi-Fi Module

Type designation: EM1206EV, EM1206 / GA1000

The subject equipment has been tested for CE Marking according to the Harmonised Standards which have been published in the Official Journal of the European Communities as below:

- 1) The R&TTE Directive 1999/5/EC

Technical and Test Standard(s) used for showing compliance with the essential requirements of the directive:

ETSI EN 301 489-1 : V1.7.1 (2007-04)
ETSI EN 301 489-17 : V1.3.2 (2007-06)
ETSI EN 300 328:2006

The referred test report(s) show that the EUZ fulfills the requirements of its Harmonised Standards specified in the R&TTE Directives for CE marking. On this basis, the manufacturer (or his European authorized representative) can use this testing result as the reference of the technical document.
